

Teacher Observation

Teacher Elvira Zaripova

Level Upper-Advanced C2.1

Observer Elena Pushhareva

Class Type General Eng Class

Date 24th of July

Time 11⁵⁵ - 12²⁰

What learning / activity was observed?

Eliciting the vocabulary that is going to be used in further activities.

Introducing the next task.

How did students react to it?

Sts were fully involved into the activities. Perhaps, you could've 'lifted' the tasks off the book and include something made by yourself.

What did the teacher do well?

Elvira gave very clear and precise instructions. She elicited some new vocabulary and made sure that sts understand the words. She prompted the learners for ideas. Using realia → perfect!

What does the teacher need to consider further?

TTT is slightly high.

TTT: SIT

Make sure it's about 30%

30% - 70%

Well done! Thank you for your effort!
